**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in an unincorporated area where internet access is spotty but available at competitive prices. And from various technologies and carriers.

Keeping the Internet accessible for all Americans is your responsibility. My husband and I are retired senior citizens who have come to rely on the Internet to stay connected to our children and grandchildren. Currently we can afford basic internet access.

Do not fail as so many Republicans have lately. Net neutrality keeps us all on a level playing ground. As it should be.
